

**M.S.E. DEGREE AUDIT
MECHANICAL ENGINEERING**

STUDENT NAME: _____

THESIS ADVISOR: _____

A total of 30 graduate credit hours are required for the M.S.E. degree. See specific distribution below. Please note that while you may select a 400-level course in any category but “A”, they must be for graduate-level credit.

A. ME 500 level or above (4 courses or 12 credit hours); letter graded.

	<u>COURSES</u>	<u>HRS</u>	<u>GRADE</u>	<u>TERM/YR</u>
1.	_____	_____	_____	_____
2.	_____	_____	_____	_____
3.	_____	_____	_____	_____
4.	_____	_____	_____	_____

A. ME 400 level or above (2 courses or 6 credit hours); may include a maximum of 9 credit hours of ME595 and ME695 OR 6 credit hours of ME590.

1.	_____	_____	_____	_____
2.	_____	_____	_____	_____
3.	_____	_____	_____	_____

C. Cognate Requirement (2 non-ME courses – may be cross-listed with ME)

*1.	_____	_____	_____	_____
*2.	_____	_____	_____	_____

B. Mathematics Requirement (2 courses or 6 credit hours selected from the “Acceptable Math” list)

1.	_____	_____	_____	_____
2.	_____	_____	_____	_____

Note: *The Rackham cognate requirement is met by virtue of the Math/Statistics courses which allows for more M.E. courses in the curriculum.
