Awards and Fellowships Given to IBBL Students

Updated on 05/01/2014

Year 2014

- Yue Shao - Alexander Azarkhin Scholarship, U-M Mechanical Engineering
- Yubing Sun - Robert M. Caddell Memorial Award for Research, U-M Mechanical Engineering
- Weiqiang Chen - Chinese Government Award for Outstanding Self-Financed Students Abroad

Year 2013

- Yue Shao - Keystone Symposia Future of Science Fund Scholarship
- Weiqiang Chen - Richard and Eleanor Towner Prize for Outstanding Ph.D. Research, U-M College of Engineering
- Weiqiang Chen - Baxter Young Investigator Award
- Weiqiang Chen - U-M Rackham Graduate Student Research Grant
- Weiqiang Chen - American Heart Association Predoctoral Fellowship
- Weiqiang Chen - U-M Microfluidics in Biomedical Sciences Training Program (MBSTP) Best Graduate Student Seminar Speaker
- Weiqiang Chen - Richard F. & Eleanor A. Towner Prize for Distinguished Academic Achievement, U-M College of Engineering
- Yue Shao - Outstanding Paper Award, 2013 ASME Global Congress on Nano Engineering for Medicine and Biology
- Weiqiang Chen - Outstanding Paper Award, 2013 ASME Global Congress on Nano Engineering for Medicine and Biology

Year 2012

- Weiqiang Chen - Outstanding Poster Award, U-M Engineering Graduate Symposium
- Weiqiang Chen - Nomination by U-M for HHMI International Graduate Student Research Fellowship
- Weiqiang Chen - Sigma Xi Grants-in-Aid of Research

Year 2011

- Yubing Sun - Rackham International Student Fellowship
- Yubing Sun - Nomination by U-M for HHMI International Graduate Student Research Fellowship
- Jennifer Mann - 2nd place, Ph.D. Student Paper Competition: Cell Mechanics and Signaling, ASME Summer Bioengineering Conference
- Jennifer Mann - Marian Sarah Parker Scholars Program Travel Grant
- Jennifer Mann - Best Poster Award, Annual Symposium of U-M Microfluidics in Biomedical Sciences Training Program (MBSTP)
